

A Never.

Q Did you ever see him driving any gear-shift car?

A Never saw him drive any car but that Ford car.

Q Well, sir, I guess that is your story. A. I am positive of that.

Q Like everybody else, I make a common error in assuming that you all go in a party and stand close together. A. For the simple reason you have got a pole and you are casting and you require room. Naturally, the men would be scattered around the beach a hundred feet apart, maybe further. There is a man down here, another down there, and another farther down, and in doing that you might know who the man was next to you and you might not. As I say, when I came down on the beach and heard about these different ones that had been down there and voluntarily come to Mr. Stevens and told him, I thought it was not necessary for me to get in the papers for the simple reason I did not want to get the publicity of the thing if I could avoid it. Then, I heard this thing is going to open up again, so when it came up this next time and they called these various witnesses like Applegate, Johnson, and some others, why, I thought that is all that is necessary. They would vouch for what Mr. Stevens is doing and so forth. Then when I read in the papers that the tes-
